REPORT ON MS EXCEL WORKSHOP

On 04-10-2016 the department Management, Krupanidhi Degree College organised a Workshop on MS Excel for students of final year BBA. Prof. Ramalakshmi. V, Assistant Professor, Head of Projects and Value Added Courses, Krupanidhi School Management was invited as the Resource person for the event.

The event got started at 10.00am in Audio Visual Room of Degree Block. Majority of the students had come with their laptops to facilitate fast learning of things being thought in the workshop. Initially few basics of Excel was thought by the resource person to the students and later few advanced topics like how to enter basic formulas and calculations, graphical representations, row and column wise calculations etc were also thought to the students.

The workshop was a very interesting and knowledgeable one for all the students which went on till 01.30pm. MS Excel is the basic need for all the students of this generation. All the students were very thankful to the Resource Person Prof. Ramalakshmi for all the knowledge and to our Principal, Prof. Rangappa for organizing such a programme for them.
