

REPORT ON THE SEMINAR ON
INTRODUCTION TO STOCK MARKET

DATE:21st AUGUST 2014

TIME: 10:00 AM-4:00 PM

A Seminar on 'Introduction to Stock Market' was thoughtfully designed and brought out to teach techniques of Trading and Investing delivered by eminent domain experts. This workshop removes the wrong perceptions that may be related to trading in stocks/commodities markets and also teaches simple investing methods, mutual funds and insurance.

The seminar commenced with an invocation song by Mr.Rahul of V Semester BCom. Dr.Maruthi, Principal, Krupanidhi Degree College welcomed the resource person and the audience. This was followed by the lamp lighting ceremony.

Altogether 80 students and 5 Faculty members attended the seminar.

The resource person Rishab Jain skilfully enlightened the audience with his in-depth knowledge of the said subject.

The following were the highlights of the seminar:

1. Common Sense Approach to Trading & Investing
2. Investing Techniques in Stocks
3. Trading Techniques in Stocks

The session was indeed Real-Time learning for the participants and they feel that they can convert the learning into Lifetime Earning.

Positive feedback was received from the students.

Students demanded more sessions of this kind to be organized by the College. This was greatly welcomed and assurance was given that the same would continue in the future.

Ms. Charitra, Assistant Professor, Department of English proposed the vote of thanks. Overall the session was a very informative one.
