Insurance is a safety net for when risks go wrong. Life insurance can support the life of a family. It's similar for a business. This reason why insurance is important dovetails nicely with peace of mind .It all goes back to the idea that insurance, when activated, makes policyholders whole again.

To make students aware insurance policies and opportunities as insurance agents, Krupanidhi Degree College conducted a one day training programme on 7-2-2015 in Audio Visual Room No 8. The topic discussed was ' Insurance Programmes and Opportunities as Insurance Agents'. The resource person was Mrs. Taseem Kandar, Insurance Development Officer, Bajaj Alliance.

The programme commenced at 10 am. Principal Dr.Maruthi welcomed the guest and the gathering. This was followed by lamp lighting ceremony.

The resource person stressed upon the importance of buying insurance cover and job opportunities in insurance sectors.

The students found the session very informative. Feedback was collected from the students. They expressed their interest to conduct some more programmes of this kind in future.

The programme concluded with vote of thanks by Ms. Sowmya, HOD, Department of English.
